*Wish Story:*

Little Baby is a 10 year old girl from Ongole, Andhra Pradesh, suffering from life threatening illness and undergoing treatment for the same in Adyar Cancer Institute.

She is studying in 4<sup>th</sup> std, but she doesn't like to go to school, because she has been missing most of her classes due to continuous treatment for months and thus she is unable to cover up portions in school. She also finds it difficult to compete with other children in her class.

She has one elder sister with whom she plays carom during her free time. It is her most favourite pass time. She likes to watch animated movies on TV and her favourite cartoon character is 'Mogli'.

When Make-A-Wish Foundation® of India volunteers met her at the hospital she was very happy to make a conversation with them. During a casual chat with her,

*Wish Photograph:*

*when volunteers asked about her favourite actor she said 'Bahubali'. She also added that she likes Actor Prabhas very much and repeatedly watches all his movies immediately after the release. She also told the volunteers about how much she admires his actions in movies and her favourite movie is Bahubali.*

*As we came to know about her inner wish we sent the request to Hyderabad division and when they spoke to Actor Prabhas, he graciously gave an appointment to meet the children.*

*When we informed her that her wish To Meet Actor Prabhas is soon going to be fulfilled she was filled with joy and kept asking when and where she will be meeting her 'Bahubali'.*

*With the help of our donor PPN Power Generating Company Pvt Ltd, we were able to make arrangements for their travel from Ongole to Hyderabad. On 1<sup>st</sup> Oct 2015 Little baby's wish To Meet super star Prabhas was fulfilled.*

*Prabhas spent time with wish kids and shared about his upcoming films and funny incidents in shoots. "I am very happy to sit next to my favourite actor and talk to him about his films and actions" says Little Baby.*
