Mohan Raj, 13 years old is a very energetic boy, who always wants to enjoy his life. He is suffering from a life threatening illness and undergoing treatment for the same in Sri Ramachandra Hospital.

His parents are daily wages workers. He has one younger brother and they both study in same class because of treatment he had dropped out from school and this year he joined school. "I don't like to go to school, because my teachers give me punishments for irregularity in attendance" says Mohan.

He has many friends and loves to play with them. He is a huge fan of Actor Vijay and watches all his movies. He also tries to imitate his style and actions.

When the volunteers of Make A Wish Foundation of India met this child in the hospital he was very

welcoming and talked to them about his favourite hero, his favourite sport and friends. Later, when the volunteers asked about his most cherished wish he said he would like to have a Video game. "I like to play games on mobile phone and my parents don't use an android phone. So I borrow my uncle's phone for few minutes and play games. If I get a Video Game I'll be very happy" says Mohan

With the help of our donor PPN Power Generating Company Pvt Ltd, we were able to fulfil Mohan's wish To Have a Video Game. He was sounding very happy when MAW team informed him over the phone that his wish is soon going to be fulfilled. He was extremely ecstatic and with all smiles he posed for the photo and he kept thanking all for granting his wish.
