Suresh, 15 years old is a smart wish child, suffering from a life threatening illness and undergoing treatment for the same in Adyar Cancer Institute.

He likes to play cricket with his best friend Gopi. Due to continuous treatment his family has rented a room near to hospital. "I miss my friend a lot, I wish I could go back home as soon as possible" says suresh.

Apart from Cricket he is also interested in watching Telugu movies and his favourite actor is Junior NTR. "I watch all his movies without fail" says Suresh.

When the volunteers of Make A Wish Foundation of India met this child in hospital, he was very happy to make a conversation with them. He also mentioned that it was his birthday and also gave them some sweets to eat. Later,

when the volunteers asked him about his most cherished wish he said he would like to have Tab, because he is in Chennai for more than 8 months and he gets really bored in the hospitals as well as in the rented room, as there is no TV. "If I get a Tab I can watch my favourite shows and movies on it and also watch Indian cricket match. I wish I could own a Tab" says Suresh.

With the help of our donor PPN Power Generating Company Pvt Ltd, we were able to fulfil Suresh's wish to have a Tab. He was extremely happy and kept thanking all for granting his wish. He also posed for a picture with all smiles.

Immediately after posing for the picture he unpacked the box. "I am so happy today. I just can't wait to insert a new sim card and watch my favourite shows. Thank you Make A Wish for granting my wish" says Suresh
