her note book.

When the volunteers of Make A Wish foundation met her she was very happy to make a conversation with them. She spoke to them about her school, friends, career, and also showed them her designs on note book. Later, when the volunteers asked about her most cherished wish she said she would like to have a designer Saree. She also explained the volunteers about the design and the colour she wanted.

With the help of our donor PPN Power Generating Company Pvt Ltd, we were able to fulfil Vanaja's wish to have a Salwar Suit. She was extremely happy and kept thanking all for granting her wish. "This is what I wished to have for a long time. I love the colour! I love the design! Thank you Make A Wish for fulfilling my wish. I just can't wait to wear this dress" says Vanaja.
