*Durai Harish, 10 years old is a charming and smart wish child, suffering from a life threatening illness and undergoing treatment for the same in Sri Ramachandra Hospital.*

*He loves to watch TV during his free time and his favourite actor is Vijay. He doesn't miss to watch any of his movies. He wishes to become a doctor when he grows old.*

*When the volunteers of Make-A-Wish® Foundation of India met this child, he was very happy to make a conversation with them. In spite of all the pain he was undergoing through the treatment, he had a welcoming smile when the Make A Wish volunteers met him at first. He spoke to them about his school and his best friends. He was promptly answering to all the questions asked by the volunteers. Later, when the volunteers asked*

*him about his most cherished wish he said he would like to have a Cycle, since his parents can't afford one for him.*

*With the help of our donor PPN Power generating Company Pvt Ltd, we were able to fulfil Durai's wish to have a cycle. "I now can join my neighbourhood friends by riding cycle along with them during free time, instead of watching TV at home" says Durai. He was extremely ecstatic and kept thanking all for granting his wish. He then joyfully posed for a picture.*
