Wish Story:

Child Karunakaran is a 4 years old boy, Suffering from life threatening illness and taking treatment for the same in VHS Hospital.

His parents are daily wage workers. He has two elder sisters. He is a very shy wish child who doesn't talk to anybody other than his family members.

When the volunteers met this child in the hospital he was very quiet and refused to make any conversations with them and neither had he made an eye contact with them.

"He doesn't talk to strangers and especially when he is in hospital. He thinks that they have come to give him injections" says Karunakaran's Mother.

Wish Photograph:

During the volunteer's interaction with the mother, they noticed that he was playing with a small plastic toy car. Later, when the volunteers asked him how much he likes his toy car, he extended his arms wide

The volunteers understood that he wishes to have a Remote controlled car. With the help of our donor PPN Power Generating Company Pvt Ltd, we were able to fulfil Karunakaran's wish to have a Remote car.

MAW team thought of elating this child with a set of small cars as an enhancement. When MAW team fulfilled his wish he was much happy to receive it and then posed for a picture.
