Janathanan, 18 year old boy from Thiruvannamalai district, suffering from a life threatening illness and receiving treatment for the same in Adyar Cancer Institute.

His father is a Farmer and mother is a house wife. Though he belongs from a small town he has high ambitions. He wishes to study charted Accountancy and become an Auditor. He just wishes for his good health, so that he can support and secure his family financially.

When Make A Wish Foundation of India Volunteers met this child in the hospital he was very happy to make a conversation with them. When the volunteers met him he had just completed his 12th board exams. He also asked the volunteers about various courses and which is the best college to join etc. "He seemed to be a very thoughtful boy with high ambitions and I wish him all success" says Volunteers of MAW.

Later, when the Volunteers asked him about his innermost cherished wish he said he would like to have a Laptop, since his parents cannot afford to buy him one. "It will be very useful for me to complete my projects when I join college" says Janathanan.

With the help of our donor PPN Power Generating Pvt Ltd, we were able to fulfil Janathanan's wish To Have a Laptop was fulfilled. He was sounding very Happy when we informed him over phone that his wish is soon going to be fulfilled.
He was more than happy to receive and he joyfully posed for a picture with a cheerful grin on his face.

"Thank you Make A Wish for fulfilling my wish, I now have joined college and my exams are nearing as well and this Laptop will help me in many ways to perform well in semesters" says Janathanan
