When the volunteers of Make-A-Wish® Foundation of India met this child, she was very happy to have a conversation. When wish granters asked about her most Cherished wish, she said she would like to have Tab, because she can use it to learn new things using internet. "My parents cannot afford to provide an internet connection for using laptop, so I prefer to have a tab and make best use of it" says Malar.

With the help of our donor PPN Power Generating Pvt Ltd, we were able to fulfil Malar's wish to have a Tab. She was extremely ecstatic and with all smiles she posed for the photo and she kept thanking all for granting her wish.

The Tab, which brought all of Malar's dreams right to her doorstep, will be a constant reminder of the hope, strength, and joy of a wish come true. Malar's wish will continue to be a source of happiness well in to the future.
